## 2018 Minnesota Aviation Maintenance Technician Conference

**Earle Brown  
Heritage Center**

6155 Earle Brown Drive Brooklyn Center, MN 55430

Be a part of an aviation industry event.

This is a unique opportunity for high school students and educators to network and share ideas and knowledge about aviation career paths.

Students will explore career options, scholarships, and aviation colleges and universities.

Sessions will include special speakers from the aviation industry, employers and representatives from aviation colleges/universities and the military.

Learn about furthering your education in aviation, aerospace and engineering; what is a FAA certificate; building your skill sets and training necessary to become employed and be successful in your aviation goals.
